

BioCoherence

There's electricity in your body.
Now you can **make sense of its messages.**

The background consists of several overlapping, organic, wavy shapes in various shades of green, ranging from a bright lime green to a darker forest green. These shapes create a layered, fluid effect across the entire frame.

Systems theory

Elements are in a relationship of interdependence.

Understand organizations:

- Relations with the environment,
- Exchanges between subsystems and entities,
- Cycles,
- Adaptations to maintain balance,
- Growth, evolution or rupture.

> Detect systemic strengths and levers to modify events in a system.

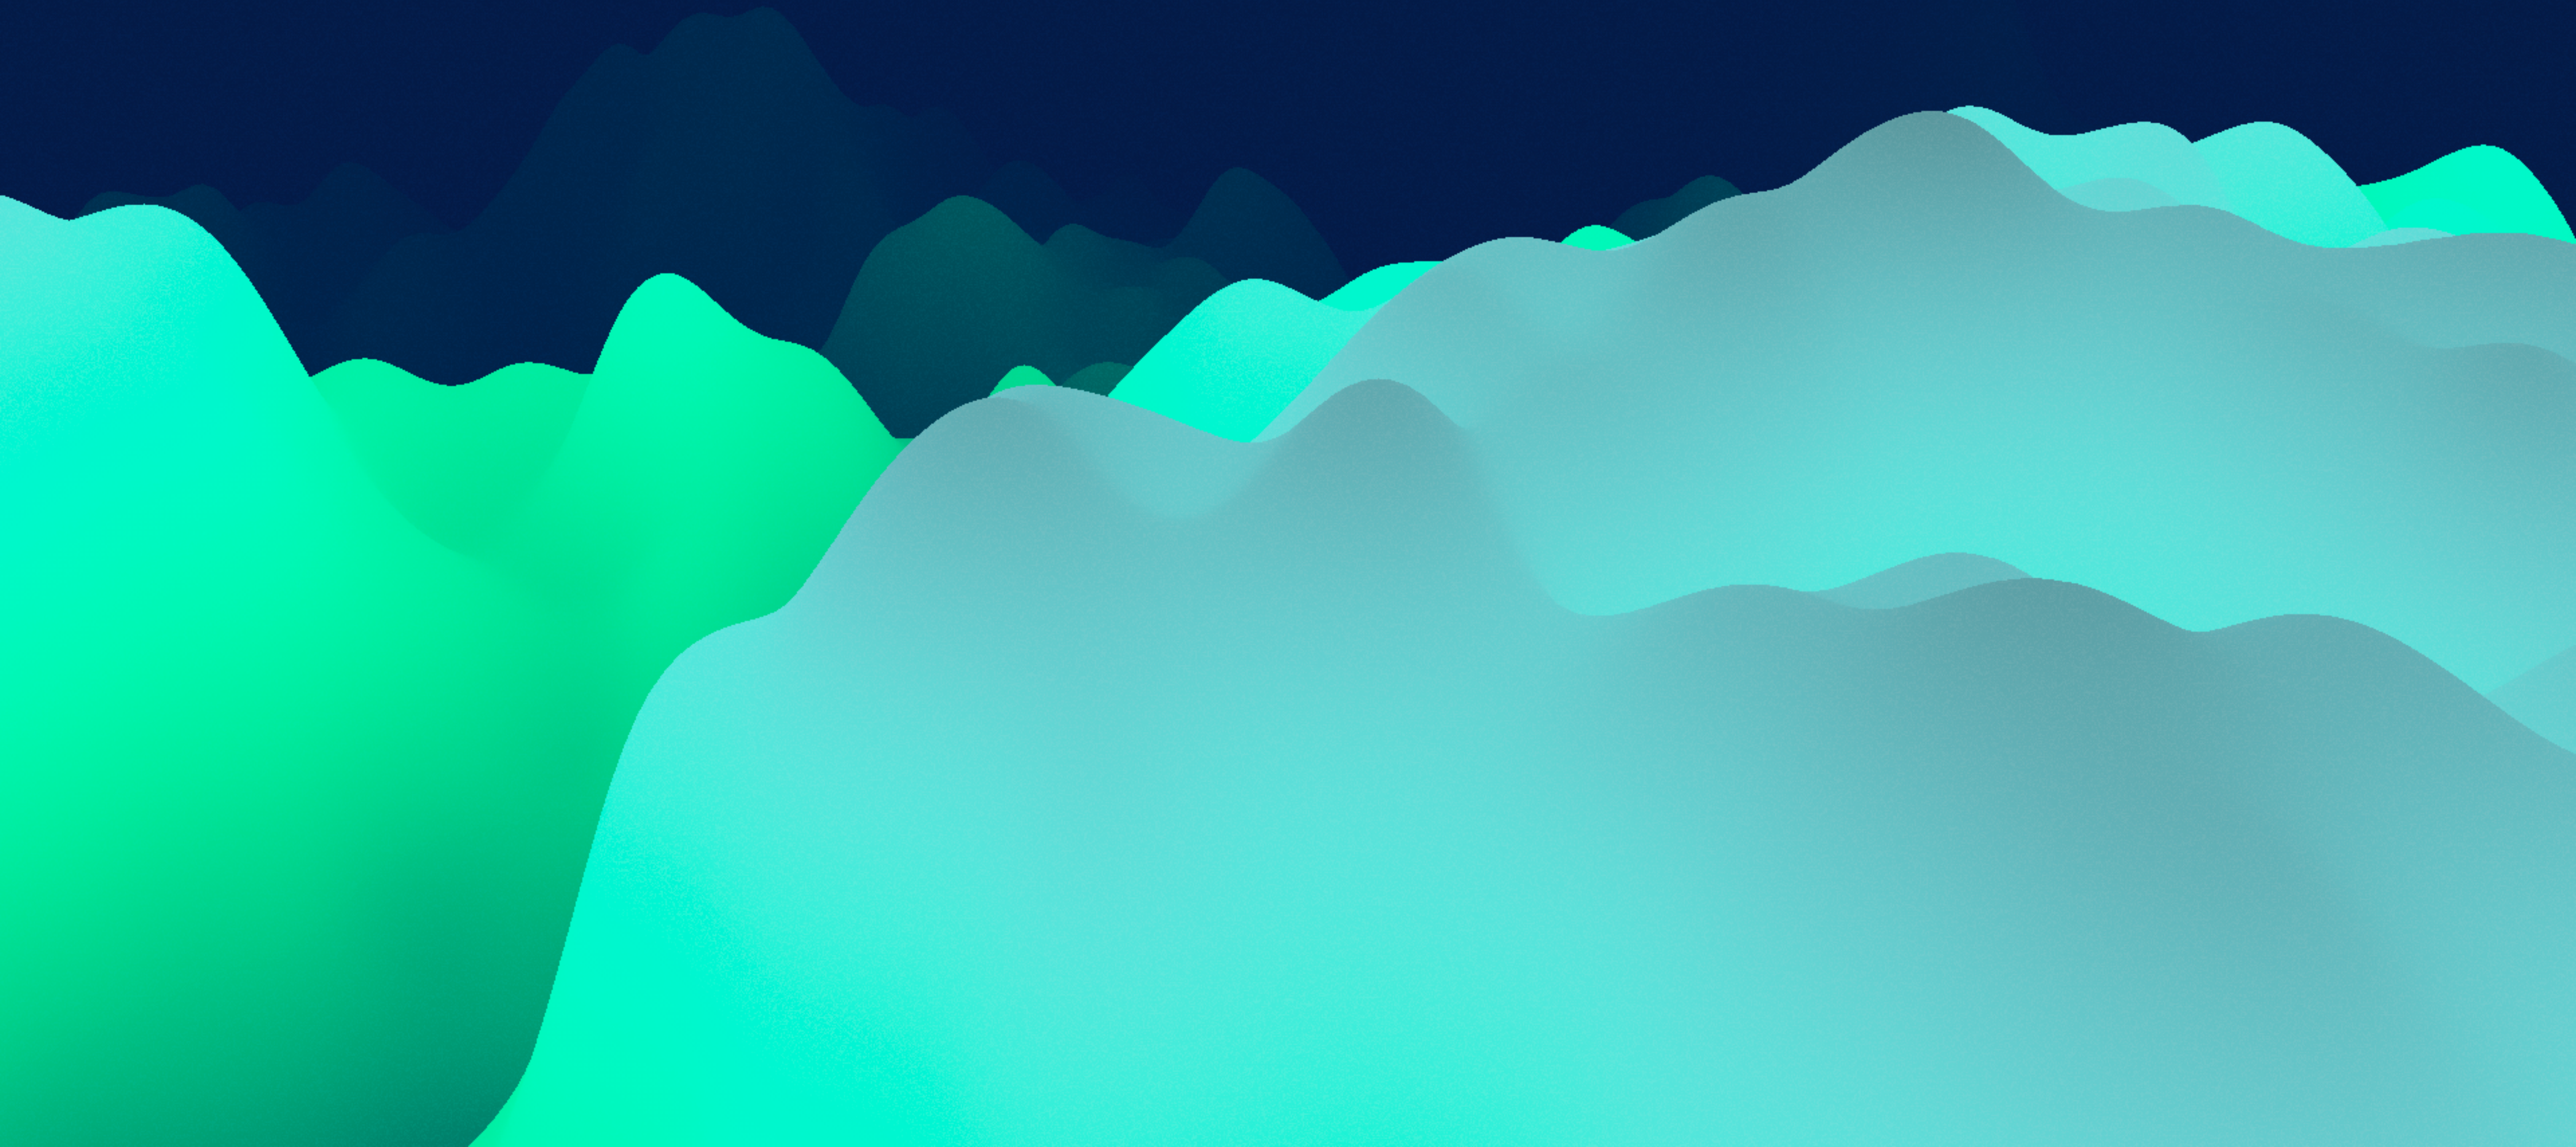

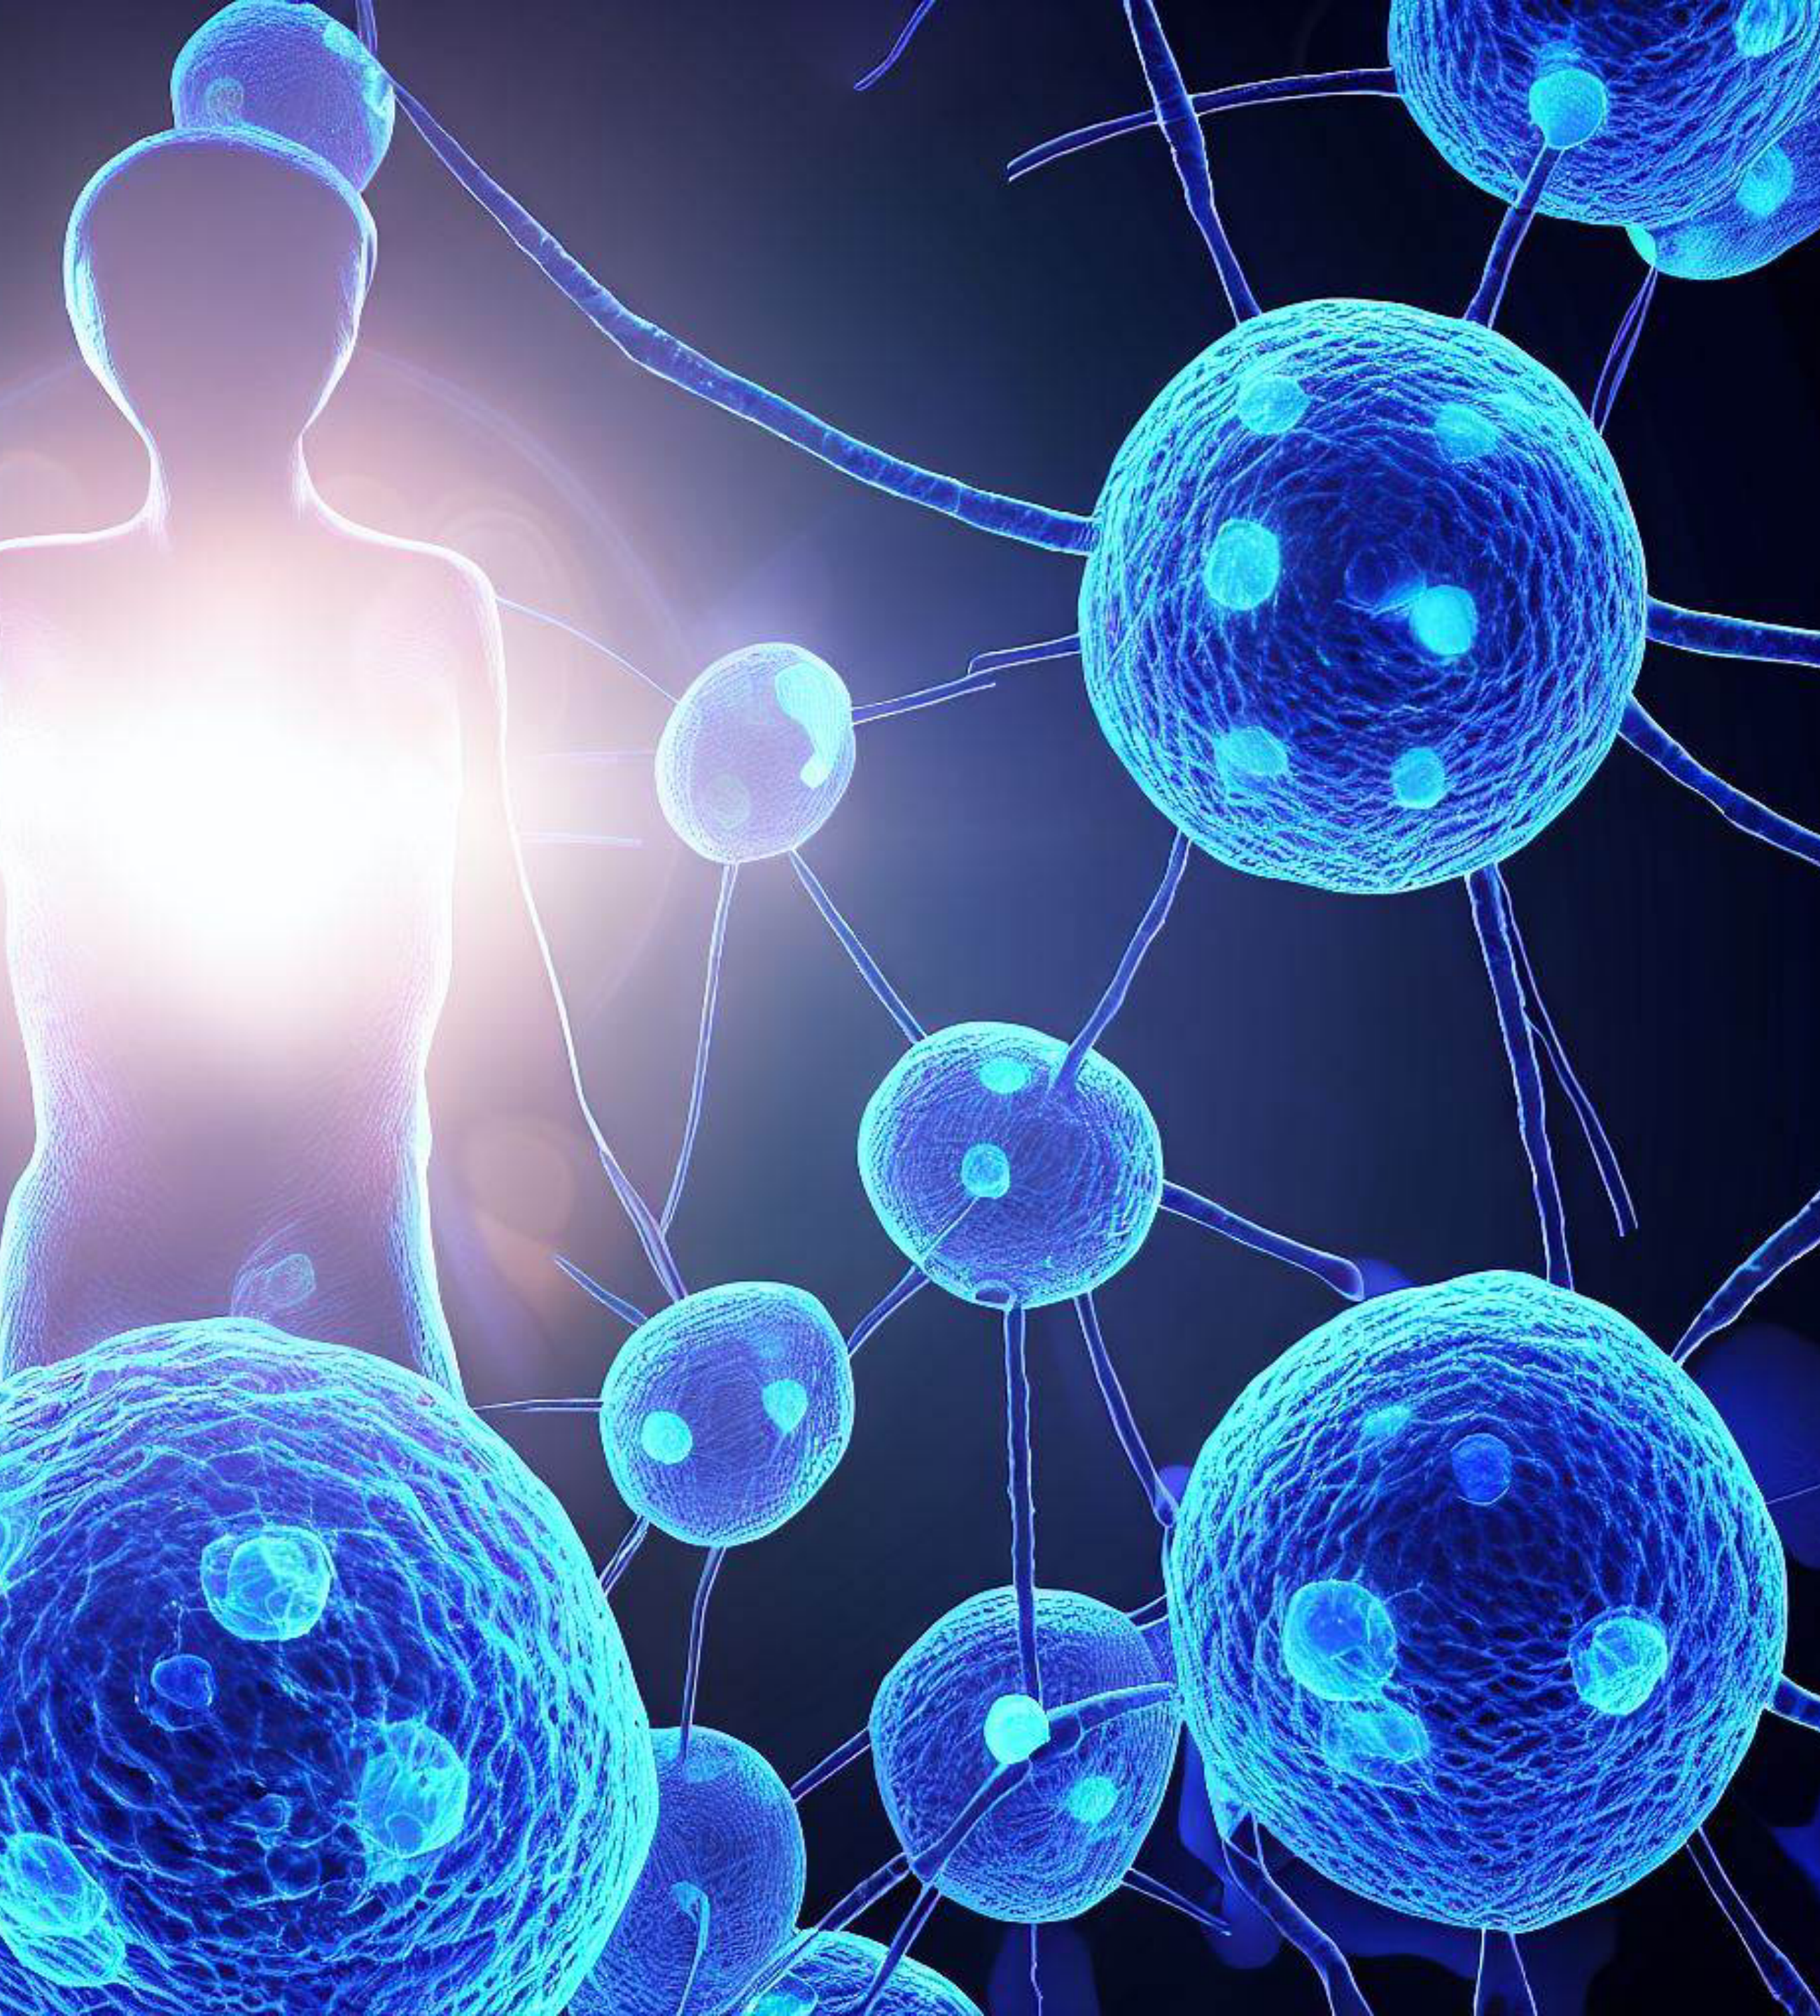

« Information is information,
not matter or energy. »

Norbert Wiener

«The only link between the objective and the verbal world is exclusively structural...

the only content of all 'knowledge' is

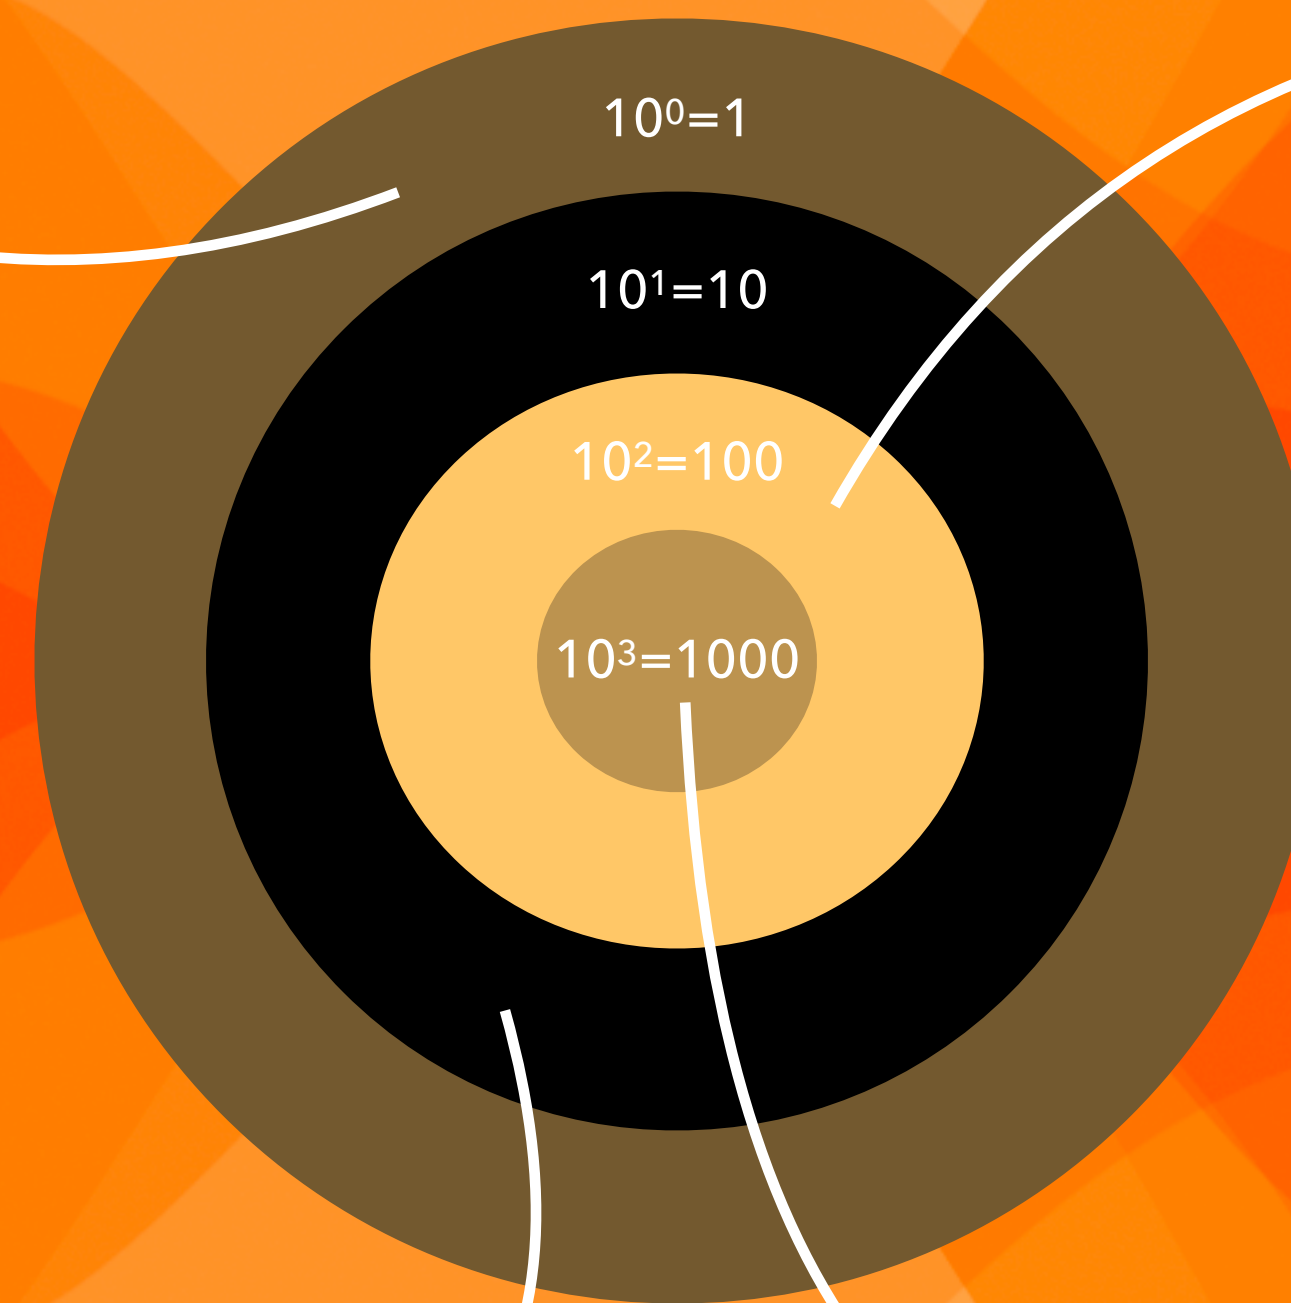

structural. Now structure can be

considered as a complex of relations, and ultimately as multi-dimensional order. »

Biomarkers

The background features a series of overlapping, wavy, organic shapes in various shades of teal and green. These shapes are layered, with some appearing more prominent than others, creating a sense of depth. The top portion of the image is a solid dark navy blue, which serves as a backdrop for the white text.

Find out the meaning

Until **intelligence**

A musical score for a piece titled "Find out the meaning" by Intelligence. The score is written for a piano and features a complex, rhythmic melody. The music is in 4/4 time and is written in a key with one flat (B-flat major or D minor). The score is divided into four systems, each with a piano (p) dynamic marking. The first system contains two measures, the second system contains two measures, the third system contains two measures, and the fourth system contains two measures. The melody is characterized by a series of eighth and sixteenth notes, often beamed together, and includes some triplet markings. The piano part is mostly silent, with only a few notes visible in the first system. The score is presented on a light gray background with a white musical staff and a light gray piano part area.
